

## Arrival Directions

- When you enter campus, please enter through the Ingles side of the building.
- Pull straight forward, being careful to follow the arrows painted on the ground.
- When you come to the back of the parking lot, make a left-hand turn and follow the loop all the way back through. **Please do not make a U-turn at any point when in the car line for the safety of yourself and others.**
- Continue forward around the loop until you pull back to the side of the building with the yellow lines. (Ingles side) **Make sure to pull your car all the way down the car line leaving no empty space.**
- **Place your car in park.** Allow each child to exit the car, one at a time, to have their temperature taken and be cleared (which is below 100 degrees) before putting your car back in drive and leaving campus. ***Please remember to ask your student(s) to have their mask on before exiting the car.***
- After all children are out of the car and cleared with their temperature, please exit campus by turning right in front of the school and exit out of the Lidl side of the parking lot. ***Please only make right turns.***

## **Dismissal Directions:** **General for all students.**

- Dismissal will begin daily at 2:45.
- Each family will be assigned a dismissal number. Unlike last year, every child in the same family will have the same dismissal number.
- We will have two dismissal pick up areas in order to socially distance our students. Students in K4-2nd grade will dismiss on the Lidl side of the building (near the back playground) and students in 3rd-7th grade will dismiss on the Ingles side of the building.
- For families with multiple children that are in different grades, students will dismiss on the dismissal side of the youngest age student. \*If all siblings are in 3rd or up, they will remain in their classroom and dismiss from there\*
  - *Example #1: If a family has a 1st grader and a 5th grader, then the 5th grader will report to their sibling's classroom for dismissal and exit on the Lidl side where K4-2nd dismisses.*
  - *Example #2: If a family has a kindergartener, 4th grader, and 7th grader, the 7th and 4th grader will report to the kindergartener's classroom for dismissal and will be dismissed on the Lidl side where K4-2nd dismisses.*
  - *Example #3: If a family has a 3rd grader and a 5th grader, both students will remain in their classrooms for dismissal and exit on the Ingles side of the building.*

## **K4-2nd Grade Directions:**

- Enter Campus on the Ingles side of the building and drive towards the back of the campus.
- Turn left at the back of the parking lot and follow the arrow until you see the opening in the cones.
- Drive straight through the cones. **Be careful not to loop back around into the 3rd-7th grade car line.**
- As you pull forward please pull all the way down so that there are no empty spaces.
- A teacher will place your child into the car. **Please remain in your car at all times.**
- You will exit campus by pulling forward. Please be aware that cars from the other car line will be pulling in front of the building and merging with your line. (This is the Lidl side)
- The Department of Transportation requires you to make a right hand turn out of campus in order to not stop the flow of traffic on Warren H. Abernathy Highway (HWY 29).

## **3rd-7th Grade Directions:**

- Enter Campus on the Ingles side of the building and drive towards the back of the campus.
- Turn left at the back of the parking lot and follow the arrow all the way through the car line just like at arrival. **Be careful not to go straight through the opening in the cones of the K4-2nd grade car line.**
- As you pull forward please pull all the way down so that there are no empty spaces.
- A teacher will place your child into the car. **Please remain in your car at all times.**
- You will exit campus by taking a right hand turn in front of the school and exiting out the Lidl side of the building.
- The Department of Transportation requires you to make a right hand turn out of campus in order to not stop the flow of traffic on Warren H. Abernathy Highway (HWY 29).
